

Design a robot

AGES 5-10 / ABOUT 20 MIN / WITH A GROWN-UP

1. Color your robot. Add buttons, wires, or anything you like.
2. Draw a face on its screen.
3. Fill in your robot's name, job, and what it says.

MY ROBOT'S NAME:

MY ROBOT'S JOB:

IT RUNS ON:

ITS SPECIAL POWER:

IT SAYS:

Grown-up tip: ask what problem the robot would solve, then ask how it would do it.

MY NAME OR MARK: _____
