Compliment Chain: Pass It Around the Family

SD-B177 / STRATEGISTS · AGES 10–12

Pass the sheet around so each person writes a true, specific compliment for the next link.

YOU NEED: pencil, 4 to 8 people

Write your name in a link. Then fold the sheet back or pass it so the next person writes a compliment about you. Keep going until every link is full.

THREE RULES:

1 It has to be TRUE. 2 It has to be SPECIFIC (say what you noticed). 3 It can't be about looks.

Which compliment surprised you most? _____

GROWN-UP GUIDE: Rules: it must be true, it must be specific and it can't be about looks. 'You always notice when someone is left out' beats 'you're nice'. Read the finished chain aloud together.
