

Finish the monster

AGES 5-10 / ABOUT 15 MIN / WITH A GROWN-UP

1. Look closely at the monster's left side.
2. Draw the right side so it matches, or make it silly on purpose.
3. Color your monster and give it a name.

Grown-up tip: ask what your child's monster eats, where it lives, and what it is afraid of.

MY NAME OR MARK: _____
