THE SAGE DAD

SMALL ADVENTURES. TIME TOGETHER.

Cups That Nest

SD-B065 / AGE 3 · WITH A GROWN-UP

Stack cups and find which ones nest and which do not.

YOU NEED: Three or four plastic cups of different sizes

FIND	Line up your cups from smallest to biggest.
TRY	Try putting one cup inside another. Which ones fit?
SAY	Say fits or doesn't fit for each pair.

GROWN-UP GUIDE: Offer the cups and let your child experiment before you say anything. Use the words smaller and bigger as they work. Celebrate pairs that do not fit; they teach as much as pairs that do.
