

Map my block from memory

AGES 5-10 / ABOUT 15 MIN / WITH A GROWN-UP

1. Sit where you can't see outside. Draw your street from memory with a grown-up.
2. Add 3 things that never move and 2 things that do. Label them.
3. Look outside together. Add what you missed in a different color. What surprised you?

What I remembered

What I added after looking

MY NAME OR MARK: _____

Map my block from memory

AGES 5-10 / ABOUT 15 MIN / WITH A GROWN-UP

THE GROWN-UP GUIDE

Memory maps build attention to detail.

GATHER

This sheet, two crayon colors, a window view for step 3.

A QUESTION TO BORROW

What do you pass every day without noticing?

MAKE IT EASIER

Draw just your house and the two neighbors. Use symbols.

ADD A CHALLENGE

Add a key: N for north, dotted lines for your walking route, X for a secret spot.

A GOOD PLACE TO STOP

Tape your map to the window and compare it tomorrow.

KEEP IT COMFORTABLE & SAFE

Stay indoors for the drawing. Observe from the window.
