the moment it remembers

02 _____
the moment it remembers

03 _____
the moment it remembers

04 _____
the moment it remembers

05 _____
the moment it remembers

06 _____
the moment it remembers

07 _____
the moment it remembers

08 _____
the moment it remembers

09 _____
the moment it remembers

10 _____
the moment it remembers

GROWN-UP GUIDE: Each track names a moment, not a real song: the day you learned to ride a bike, a family trip. Listen to your teen explain their track list; it is a quick window into what they care about.
