

Number garden

AGES 5-10 / ABOUT 15 MIN / WITH A GROWN-UP

1. Look at the color key at the top of the page.
2. Color each shape with the color that matches its number.
3. Add 3 things to your garden that you want to see there.

Grown-up tip: talk about what plants need to grow (sun, water, soil). Which part of the picture shows each one?
