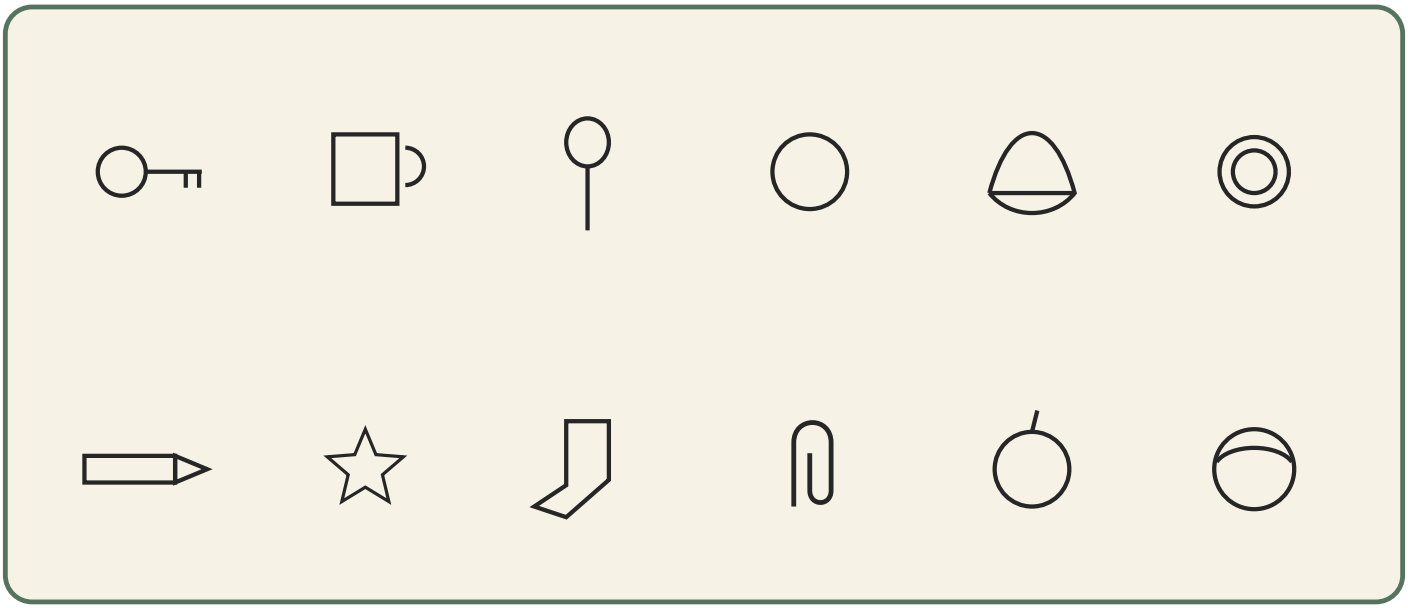
Memory Tray Challenge: What Was on the Tray?

SD-B169 / DISCOVERERS · AGES 7–9

Study the tray for 30 seconds, cover it, then draw what you remember.

YOU NEED: pencil, a sheet of paper to cover the tray and a timer

LOOK: 30 seconds. Then cover this half with a sheet of paper.



REMEMBER: draw or write everything you can recall

I remembered ____ / 12. Next round I'll try this trick: _____

GROWN-UP GUIDE: Time 30 seconds for the tray, then cover it. Players write or draw what they remember. Try again with a new set. Try grouping things (round, metal, soft) as a memory trick and see if scores improve.
