THE SAGE DAD

SMALL ADVENTURES. TIME TOGETHER.

More, Fewer, or the Same?

SD-B079 / EXPLORERS · AGES 4–6

Line up two piles one to one and say which has more, fewer or the same.

YOU NEED: Two small piles of blocks or crayons

MEET	Make two small piles of things, like blocks or crayons.
WATCH	Line them up in two rows, one above the other, touching.
TRY	Which row is longer? Which has more? Fewer? The same?
CELEBRATE	Move one from the longer row to the shorter. What is true now?

LINE THEM UP

What I changed

GROWN-UP GUIDE: Use real objects on the table before writing anything. Match them one to one and ask which row sticks out. Count only after your child makes a guess. Use the words more, fewer and the same.
