THE SAGE DAD

SMALL ADVENTURES. TIME TOGETHER.

Opposite Day Drawing

SD-B070 / EXPLORERS · AGES 4–6

Draw three pairs of opposites (hot and cold, big and small) side by side.

YOU NEED: Pencil and crayons

MEET	Opposites are two things as different as can be, like hot and cold.
WATCH	Look at the first pair. What is the opposite of big?
TRY	Draw one pair of opposites in each column. Look at the boxes.
CELEBRATE	Pick a pair and show someone. Can they guess the opposites?

DRAW THE OPPOSITES

HOT	**BIG**	**UP**
COLD	**SMALL**	**DOWN**

My own pair

MY WORD	**ITS OPPOSITE**

What I noticed

The most different pair was...

GROWN-UP GUIDE: Say a pair out loud before your child draws it. Let them decide how to show each word. If a pair is tricky, accept any picture they can explain. Ask for an opposite that you did not suggest.
