THE SAGE DAD

SMALL ADVENTURES. TIME TOGETHER.

Packaging Detective

SD-B100 / DISCOVERERS · AGES 7–9

Find weight, ingredients and date on three packages and compare.

YOU NEED: Three food packages (empty or sealed), pencil

DISCOVER Pick three packages. Find the weight, the ingredients and the date.

PREDICT Which package do you think has the most food inside? Write your guess.

SOLVE Fill in the table for each package.

EXPLAIN What surprised you? What does the label tell you that the picture does not?

LABEL FACTS

Package	Weight	First ingredient	Date

Which has the most?

I think... has the most.

What the label told me

The label told me...

GROWN-UP GUIDE: Choose empty or sealed packages. Help find the net weight, which is often near the bottom, and the first ingredient, which is the largest amount. Dates may say best by or use by. Talk about what a picture can hide.
