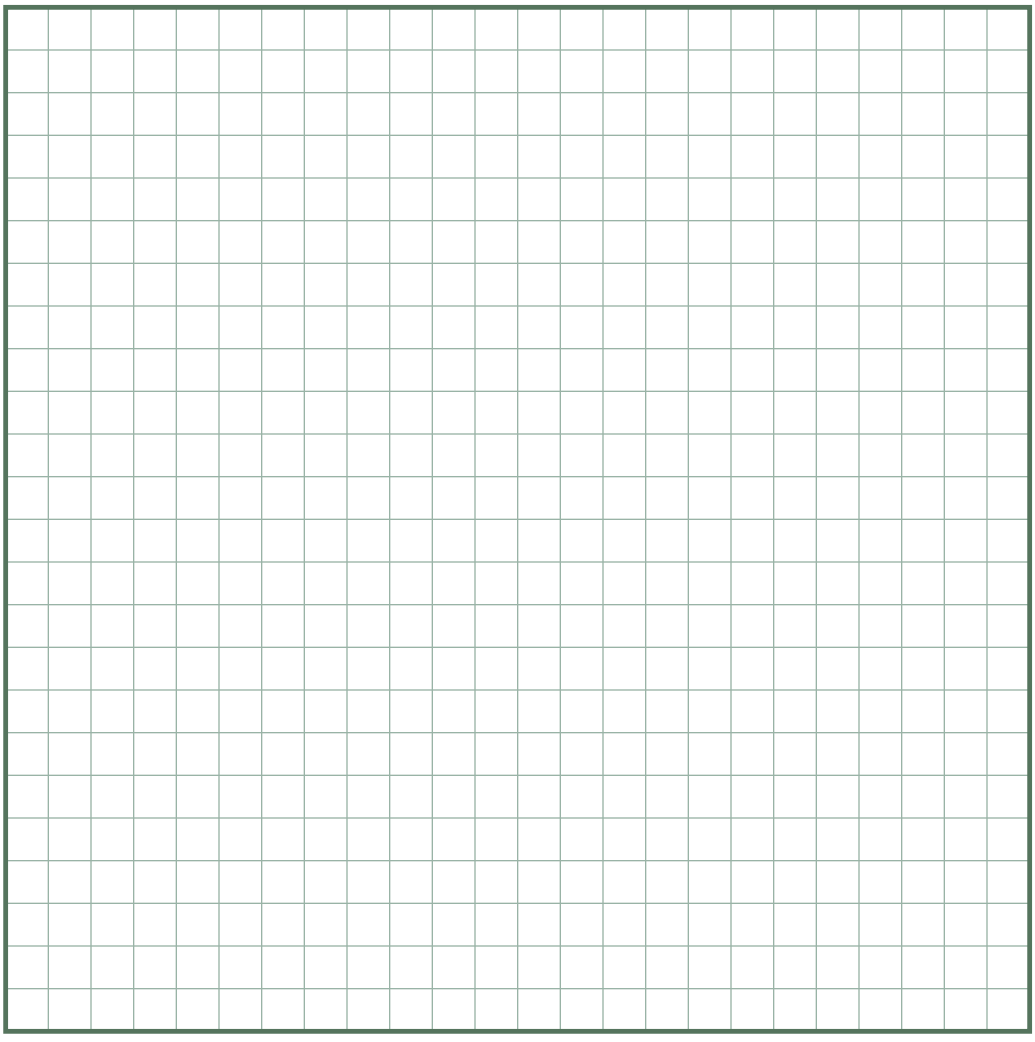
Pixel Art Self-Portrait: Draw Yourself in 24 by 24 Squares

SD-B184 / THINKERS · AGES 13+

Plan and color a pixel portrait one square at a time.

YOU NEED: pencil, colored pencils or markers, an eraser



COLOR KEY

○ _____

○ _____

○ _____

○ _____

○ _____

○ _____

○ _____

○ _____

Tips: start with big shapes. Use only 8 colors. Squint to check if it looks like you!

Title of my pixel portrait: _____

GROWN-UP GUIDE: Start by lightly marking the big shapes: head, hair, shoulders. Then add features. Simplifying a face into squares is a surprisingly good lesson in what really makes someone look like themselves.
