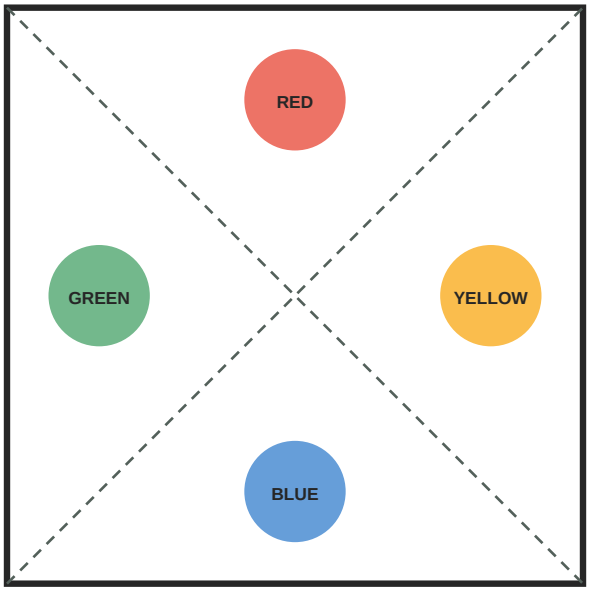
Silly Fortune Folder: Cut, Fold, and Play

SD-B167 / DISCOVERERS · AGES 7–9

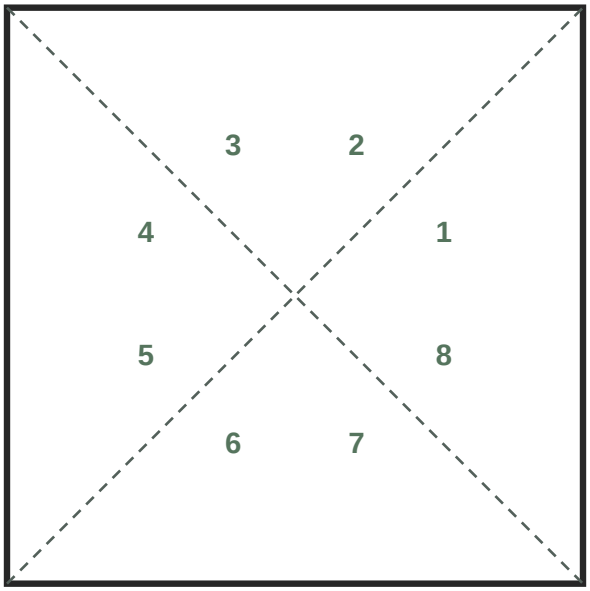
Write silly fortunes, fold the square and tell fortunes to your friends.

YOU NEED: scissors, pencil, crayons

OUTSIDE: color the 4 corners



INSIDE: write a silly fortune in each triangle



1 Fold in half both ways. Unfold.

2 Fold each corner into the center.

3 Flip. Fold the corners to the center again.

4 Fold in half and slide your thumbs and fingers under the flaps.

Fortune ideas (borrow or invent):

You will find a dragon in your sock drawer. • Pizza is in your future. • Today you will invent a new dance. • A friend will make you laugh so hard you hiccup.

Number words to play with: 1 2 3 4 5 6 7 8

GROWN-UP GUIDE: Fold the OUTSIDE square corner-to-corner four times as shown in the steps. Players pick a color, then a number, then a fortune. Silly fortunes are best; keep them kind.
