

Your chessboard

An empty board, ready for whatever you want to practice together.

Set the board with a light square in your nearest right-hand corner.
Here, a1 is dark and h1 is light. Print at 100% for a 7-inch board.

One question to bring back

Keep this page at home with your other visits. Point, draw, or ask an adult to write your words.

Paper Bridge Lab

Try a design. Test it. Change one thing.

Adult setup: Use two short book stacks, paper, and one lightweight toy. Keep the book gap and toy the same when comparing designs.
