Soft, Hard, Bumpy

SD-B059 / AGE 3 · WITH A GROWN-UP

Feel three textures and sort each into a soft, hard or bumpy pile.

YOU NEED: A sock, a wooden spoon, a scrubby sponge; a crayon

FIND	Find a sock, a wooden spoon and a scrubby sponge.
TRY	Touch each one slowly. Is it soft, hard or bumpy?
SAY	Put each one in its box. Say the word together.

GROWN-UP GUIDE: Sit side by side and let your child touch each item first. Say the texture word while they feel it, then let them place it in a box. Keep every item too big to swallow and stay within arm's reach.
