What Is Missing?

SD-B085 / EXPLORERS · AGES 4–6

Study a tray of objects, close your eyes and name the one that vanished.

YOU NEED: Six small objects, a cloth, a partner

MEET	Set out six small things on a tray. Look carefully while you count to ten.
WATCH	Close your eyes. A partner hides one thing under the cloth.
TRY	Open your eyes. What is missing? Draw it.
CELEBRATE	Switch places. Try again with seven things.

THE TRAY

Draw the six things you saw.

What was missing?

Round 2

Now the missing thing was

GROWN-UP GUIDE: Choose objects your child knows well. Count to ten while they look, then hide one while their eyes are closed. Offer a hint like a color if they get stuck. Switch roles so they hide one for you.
