Which Is Heavier?

SD-B061 / AGE 3 · WITH A GROWN-UP

Hold two objects, say which feels heavier and point to it on the sheet.

YOU NEED: A book and a sock; a crayon

FIND	Find a book and a sock.
TRY	Hold one in each hand. Which feels heavier? Point to it.
SAY	Say heavier and lighter together.

HEAVIER · LIGHTER

HEAVIER

LIGHTER

Draw the heavy one

Draw the light one

GROWN-UP GUIDE: Let your child hold each object with both hands, then one in each hand. Ask which pushes down more. If they pick a different one than you expect, ask what they felt; there is no wrong answer at this age.
